WHAT TO BRING:

A Don't Forget Checklist:

- Your timeline from your photographer to get a general idea of when you need to be ready to go by
- Any jewelry, hair accessories such as a veil or head piece and photos of your dress

Drinks provided: waters, sparkling waters, or wine (limit 2 glasses)

INSPIRATION IMAGES

To be prepared for our time together, I suggest finding some inspirational pictures of things you like and things you dislike. This is **very** important so that I can get a visual of what you're talking about and will lead to a more successful appointment!

GUESTS

Because there may be other artists working, we ask that you only bring **one** guest/friend with you.

CANCELLATIONS

Please let me know **at least 24 hours prior** to your appointment if you need to cancel.. Rescheduling will be based on availability.

TIMELINE

Touch base with your photographer regarding timeline and your photo start time for the wedding day so we can start to figure out a tentative beauty timeline and know when you and your bridal party need to be ready to go by! Also touching base with your bridal party (mom's too!), to get a tentative headcount of services will be super helpful.
